STATEMENT OF THE MANAGERS ON THE PART OF THE HOUSE

The managers on the part of the House at the conference on the disagreeing votes of the two Houses on the amendments of the Senate to the bill (H. R. 2663) to provide for the administration of the Central Intelligence Agency, established pursuant to section 102, National Security Act of 1947, and for other purposes, submit the following statement in explanation of the effect of the action agreed upon by the conferees and recommended in the accompanying conference report:

Amendment No. 1: The House bill provided that officers and employees of the Central Intelligence Agency who are in the continental United States on leave should be available for work or duties in the agency or elsewhere. The Senate amendment provided that officers or employees of the Agency who are in the continental United States on leave should be available for work or duties only in the Agency or for training or for reorientation for work. The conference agreement adopts the provisions of the Senate amendment.

Amendments Nos. 2 and 3: The House bill provided that whenever the Director of the Central Intelligence Agency and the Attorney General should determine that the entry of a particular alien into the United States for permanent residence is in the interest of national security or essential to the furtherance of the national intelligence mission, such alien and his immediate family could be given entry into the United States for permanent residence without regard to their inadmissibility under the immigration or any other laws and regulations and without regard to their failure to comply with such laws and regulations pertaining to admissibility. The House bill limited the number of aliens admissible under such authority to not more than 100 in any one fiscal year. The effect of Senate amendments Nos. 2 and 3 was to add the Commissioner of Immigration to the officials who would determine what aliens should be admitted under this authority. The conference agreement adopts the Senate amendments.
